Re: **Docket No. 2010-399-C** – Application of Frontier Communications of America, Incorporated for a  
Certificate of Public Convenience & Necessity to Provide Certain Services

Dear Madame Clerk:

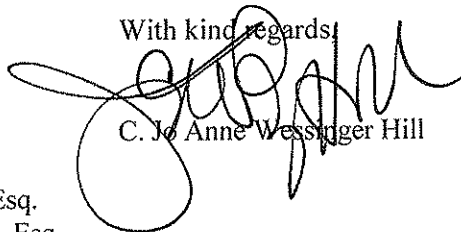

On behalf of Frontier Communications of America, Inc., I am writing to respectfully request an extension of one (1) additional week to file Direct or Petitioner's Testimony which is currently due on February 7, 2011. An additional week would make such direct testimony required to be filed by the Applicant/Petitioner no later than February 14, 2011. The reason for this request is based upon good cause by the Petitioner in the preparation of such testimony, as well as the sudden illness and hospitalization of an immediate family member of Petitioner's attorney Steven W. Hamm this week.

Counsel for the Office of Regulatory Staff (Nannette Edwards) and for the South Carolina Telephone Coalition (Margaret M. Fox) have no objection to this request. With an extension of one (1) week for the submission of direct testimony by Frontier, the same consideration should be given regarding the other submissions of testimony to be provided and adjustment made.

Thank you for attention and consideration of this request for a one (1) week extension to file direct testimony for good cause. It is greatly appreciated.

If you have any questions, please do not hesitate to contact me.

With kind regards,

C. Jo Anne Wessinger Hill
